

GDPR Staff Training Package

Our GDPR Staff Training Package enables you to deliver your own GDPR data protection training session for a one-off cost. The package provides a 90-minute session covering the essential GDPR and Data Protection Bill knowledge and ensures you that your employees know and can demonstrate compliant handling of personal information and data subject's rights.

The GDPR Staff Training Package provides you with all of the tools, resources and guidance so that you can deliver the training yourself, without paying for external trainers or reoccurring user licence fees. The course comes with ready-to-use PowerPoint slides and extensive training notes, allowing you to deliver an effective, professional and informative session.

Package Contents

- Our GDPR Staff Training package comes ready-to-use and includes:
- Trainer & Session Delivery Guidance
- 14-slide PowerPoint Presentation
- 32-page Trainer Notes
- Trainee Handouts – Slides & Reminder Sheet
- 2 Q&A Employee Test Papers
- Employee Training Record Template
- Trainee Training Evaluation Form
- 60 minutes' worth of consulting time by email and/or phone.

Who is the training suitable for?

Our training package is designed for introductory to intermediate level and will benefit a broad range of employees and associates, including those accessing and using personal data in their role, data protection officers along side those seeking to learn more about the new Regulation and implications.

How is the training assessed?

To ensure that the content understood and practical, we provide two professional assessment test papers with the training. The papers come with ten questions each and will assess trainees knowledge, understanding and ability to apply the learned information to their role and company.

Will the package reflect our business brand?

The GDPR Staff Training Package is branded to your business featuring your logo, company colours and key details.

We also offer a GDPR Support Pack that includes the GDPR Staff Training package, 60 minutes' worth of consulting time and our GDPR Support Pack containing more than 40 GDPR data protection policies, procedures and templates for a comprehensive data protection and compliance program.
